

Innovative Engineering Solutions

Zentech has been in operation for 40 years now, and we are happy to celebrate this momentous occasion!
We want to recognize **all** our employees, who we couldn't have done this without.

We would like to give a shout out to:

Johnson Varghese for his 20 years of service
Sharma Mukkamala for his 20 years of service
Abhijeet Chawan for his 15 years of service
María Ramirez for her 15 years of service
David Reynolds for his 10 years of service
