

## PRESS RELEASE

# PETROBRAS Awards Large Scale Multi-Year Engineering Support Contract to ZENTECH

by Zentech Inc. | Friday, September 14, 2018

**PETROBRAS has selected ZENTECH DO BRASIL SERVIÇOS TÉCNICOS LTDA.**, a subsidiary of **ZENTECH, INC. of Houston, Texas, USA** for a contract to provide engineering support for its fleet of Ship shape and Semi-submersible type Floating Production, Storage and Offloading Platforms along with the Fixed Gathering and Processing Platform. This award is for a three-year period, with the option to extend in the future. In addition to engineering support, Zentech will provide Virtual Reality Models of these Platforms resulting in an immersive, first-person experience allowing PETROBRAS access to these models anywhere and at any time.

**James Richard A Cook, General Manager of Brasil** commented, “We are delighted with this award as recognition of our service, quality and commitment to Brasil in general and Petrobras in particular.

**Ramesh Maini, CEO of Zentech** said, “Zentech provides innovative engineering solutions and asset integrity to a variety of clients. While the strength of these Zentech’s services was already well established in the marine sector in Brasil, this faith that Petrobras has placed in Zentech firmly positions us in the Oil and Gas sector of Brasil, as well.”

### **About Zentech**

Zentech is an engineering consulting, project management and construction management company; comprised of experienced professionals specializing in providing services to the offshore oil and gas, marine, renewable energy and construction industries. Our vision is to be the clear leader in providing innovative engineering solutions to the upstream oil and gas and renewable energy industries. <http://zentech-usa.com/>
